**BID BULLETIN #1**

Procurement for Construction of Fabrication Laboratory  
(Under the Design and Build Scheme)  
November 28, 2023

This Supplemental /Bid Bulletin No. 2 is issued to clarify query on the item in the Bid Documents as regards:

1. PCAB License –Required is Size Range Medium A, License Category B

Contractors under Small B with License Category C and D may be allowed to bid provided that they have similar experience on the contract to be bid. With this, contractors under Small B without similar experience are not allowed to bid because it goes beyond the Allowable Range of Contract Cost (ARCC). It is noted that contractors without similar experience are allowed to bid to the extent of the 50% of their ARCC.

For your guidance and information.
